CONTRACT

The services and equipment being procured by this Contract No. _____
PR-8200 are in furtherance of the OXCART
Program(s), the nature of which cannot be publicly disclosed for security rea-
sons. The Contracting Officer therefore determines that this procurement must
be accomplished by negotiations pursuant to the authority of Section 3(a) of

Certification of funds for this contract will be handled under the pro-
cedure approved by the Director of Central Intelligence on 15 December 1956

amounts in this account will be periodically scheduled for certification of the
vouchers by the Director. This procedure eliminates the necessity for a sepa-
rate certification of authority under Section 8(b) of Public Law 110, 81st Con-
gress (formerly 10(b) - see 85-507 dated 7/7/58) for each contract.
